INN AT EAST HILL FARM in TROY, NEW HAMPSHIRE

Covered bridges (or “Kissing Bridges”) are practically a trademark of New England life. They can reflect the town that they reside in, the artist or architect that designed them or the period in which they were built. Come explore several of them with us on a Guided Driving Tour of Covered Bridges in Southern New Hampshire.

German Short Ribs, Pecan Chicken Schnitzel, Fritters with Maple Syrup, warm German Potato Salad, and Apple Strudel with coffee or tea are included in the special Oktoberfest luncheon at the Inn at East Hill Farm, a working farm and inn in the shadow of Mount Monadnock in Troy, NH. Served family style at large farmhouse tables, you're sure to make new friends.

We will make a shopping stop at Kringle Candle in Bernadston, MA on our way home.
