Covered bridges (or "Kissing Bridges") are practically a trademark of New England life. They can reflect the town that they reside in, the artist or architect that designed them or the period in which they were built. Grab your camera and come explore several of them with us on a **Guided Driving Tour of Covered Bridges** in Southern New Hampshire with our experienced local guide. On the way home, we'll stop at Yankee Candle's Flagship Store in South Deerfield.
