Dear Retiree Council Members,

We would like to inform you that the Retiree Council has approved an increase in monthly dues from \$3.00 to \$5.00. This change will take effect on July 1, 2026, and will be reflected as a deduction from your monthly pension payment.

The dues adjustment is necessary to help the Council continue providing services, programs, communications, and advocacy on behalf of our retiree membership. The increase will help offset rising operational costs and ensure that the Council remains financially able to serve retirees effectively in the years ahead.

We appreciate your continued support and participation in the Retiree Council. Your dues help strengthen our ability to represent and assist retirees while maintaining the programs and benefits that are important to our membership.

For those of you who pay your dues by check, a notification letter was sent with your invoice.

If you have any questions regarding this change, please contact the Retiree Council at 860- 953-1316.

Thank you for your understanding and continued support.

Sincerely,

*MaryAnn Goggin*
